

Urban

- The **URBAN line** brings a contemporary and distinctive aesthetic to vending.

Made from PEFC-certified virgin cellulose, it ensures reliability and consistent quality, with a bold street-inspired graphic design that delivers strong visual impact.

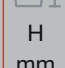

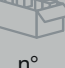

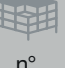

The 5.5 oz format offers an operational advantage thanks to reduced stack height, allowing up to 20% more cups to be loaded into the vending machine.

- La **linea URBAN** porta nel vending un'estetica contemporanea e distintiva.

Realizzati in cellulosa vergine certificata PEFC, garantiscono affidabilità e qualità costante, con una grafica d'ispirazione street dal forte impatto visivo.

Il formato 5,5 oz offre un vantaggio operativo grazie all'impilamento ridotto, che consente di caricare fino al 20% di bicchieri in più nel distributore.
